

SF 1444, Request for Additional Classification and Rate

If a classification you need is not listed in the wage determination included in the contract, then you will need to complete a form [SF 1444](#), Request for Additional Classification and Rate conformance action. A conformance action will not be approved if any of the following conditions are not met: The work to be performed is not performed by a classification already contained in the wage determination. The classification is utilized in the area by the construction industry. The proposed wage rate bears a reasonable relationship to the wage rates contained in the wage determination. You can mail the completed request to: Office of Counsel U.S. Army Corps of Engineers P.O. Box 3755 Seattle, WA 98124-3755 Or fax number (206) 764-6529 The Department of Labor does not approve conformance actions for apprentices and/or trainees, and foremen. Apprenties or trainees are permitted to work at rates less than the prevailing rate if they are registered in an approved apprentice program. Working foremen need to be paid at least the rate for the type of work they are doing. Make sure prime contractor has signed in Box 15. An employee or employee representative, if known, should sign in Box 16, including employee title, with appropriate "agree" or "disagree" box checked.
