

Purpose

USEFUL STUFF: DMMP User's Manual, Disposal Site locations, COC List and other useful documents

Links to Stuff

On the left are links to tools, publications and guidance documents for dredged material evaluation in Puget Sound, Grays Harbor/Willapa Bay and the Lower Columbia River.

Updated COC Table

Chemicals of Concern for DMMP list updated June 2007. Click on link at left.

BIOSTAT

We have a new BIOSTAT download. Just click on the link in the left-hand column. Once the download is complete, click on the setup.exe file to install BIOSTAT on your computer.
