# Thinking about Volunteering?

Volunteering at the Locks is a rewarding experience. We offer opportunities for you to volunteer in the gift shop, on the lockwall, in the garden, and in the administration building.

If it's the lockwall you are interested in, you might enjoy assisting our lockwall staff by providing an additional set of eyes, ears, and voice during the busy summer season. Help clear the gates of people when the bells sound and watch for hazardous conditions. If you're *really* good, you might get invited to step on the other side and assist with locking vessels through the locks.

Would you like to help maintain the legacy of the late Carl S. English Jr.? Consider working with our experienced horticultural staff in the botanical garden. The many garden beds require continuous work to be what they are today, loved and appreciated by visitors from all around the world.

If you prefer something more sedentary and indoors, we could sure use someone to enter photo data into our museum archiving program.

Check below for *More Positions Available* as they develop.

Volunteer service can be very rewarding. Your hours are logged in and you could become eligible for the

*Presidential Award for Volunteer Service.* Give us a call at (206) 789-2622, x210 and let us know your interest.

More Positions Available

### *Northwest Interpretive Association*

Gift Shop Sales Clerk - Paid and Volunteer positions may be available. Volunteers assist customers and provide cashier duties in our cooperating association gift shop run by the Northwest Interpretive Association. It's part of our class A visitor center managed by Salmon Bay Educational Services. If gift shop volunteer work is right up your alley, contact Jim Adams at (206) 220-4245.

If you're "into" salmon, we need a volunteer to operate our satellite gift shop in the fish ladder. Jim Adams would be the one to contact at (206) 220-4245.

**Note: The Hiram M. Chittenden Locks is a day use facility. Housing, campsites, and parking pads are not provided.**
