

## Wage Determinations

If you are a subcontractor looking for the wage rates for a contract you are working on, please contact the prime contractor to ensure you are using the correct rates.

[Department of Labor's current wage determinations-](#)

[Archived Wage Determinations-](#)

Classification you need not listed in wage determination included in your contract? Then you probably need to complete a [Standard Form 1444](#), Request for Additional Classification and Rate. This process is called a conformance. Click [HERE](#) for instructions and hints about completing this form.
