

Appendix E. **Contracting.**

1. Contracting Division issued multiple purchase orders in support of the Boundary County flood fight. The Purchase Orders were executed for both delivered materials and rental of construction equipment. Final contract price was \$1,094,000. The contract was completed on June 27, 2006.

The purchasing agents solicited local contractors and awards were made based on low bid and availability of equipment of materials. Expedited procurements procedures were utilized to meet the flood response needs. Solicitation and award were made in less than one day.
