

Seattle District Office suffers power outage Sept. 3, 2002

The Seattle District office, located at 4735 East Marginal Way South, is experiencing a power outage estimated to last until approximately noon today, Sept. 3, 2002. Most phones are working but e-mail and some computer operations may not be working. Emergency management 206-764-3406 is operating under emergency power. The Hydrology and Hydraulics Section is also up and running. The number for the reservoir control center is 206-764-6702. You may also call the Public Affairs Office for any updates 206-764-3750.
