AMENDMENTS NUMBERED _____ HAVE BEEN RECEIVED

- E. **PROSPECTIVE OFFERORS:** The Director of Defense Procurement has issued a final rule amending the Defense Federal Acquisition Regulations Supplement (DFARS) to require contractors to be registered in the DOD Central Contractor Registration (CCR) for awards resulting from solicitations issued after May 31, 1998.

This rule more efficiently implements the Debt Collection Improvement Act of 1996, as it requires contractors to be registered in CCR for consideration of future solicitations, awards, and payment. Registration is required prior to award of any contract, basic agreement, basic ordering agreement, or blanket purchase agreement from a solicitation issued after May 31, 1998. **LACK OF REGISTRATION IN THE CCR DATABASE WILL MAKE AN OFFER INELIGIBLE FOR AWARD.**

The web site may be accessed at www.ccr.gov. You may call 1-888-227-2423 to obtain a Registration Packet or to register On Line at www.acq.osd.mil/ec.

- F. **ELECTRONIC FUNDS TRANSFER (EFT):** Effective 99 Jun 01, the Government will make all payments by EFT (unless the Government VISA credit card is accepted). The only exceptions are: 1) Foreign Vendors; 2) Government Agencies, and 3) One time payments. The EFT forms and instructions are on the USACE Finance Center (UFC) Web Page; www.fc.usace.army.mil The UFC points of contact for this action are Ms. Nita Clower, 901/874-8542 and Mr. Michael Rye, 901/874-8543.

1.3 Frequencies and Time of Service. The Contractor shall provide the services specified herein in accordance with the periods, frequencies, and quantities described in Section 3, Description of Work, and Tables 1, 2, 3 (summaries of work requirements). Refuse removal shall be performed after 8:00 a.m. and before 6:00 p.m. on the days refuse removal is scheduled. The Contractor shall provide the Contracting Officer's Representative (COR) a pickup service schedule based on the periods, frequencies, and quantities described in Section 3 at least one week prior to the start of Base Year and Option Year operations.

1.4 Contract Activity Area Inspection. The contract activity area will be available for inspection by potential bidders Mondays through Thursdays, 8:30 a.m. to 3:30 p.m., by appointment. It is recommended that bidders conduct an inspection of the contract activity area prior to bidding. Bidders will be accompanied by an employee during the inspection. For further information, contact the senior park ranger at (208) 437-3133. Collect calls will not be accepted.

2. CONTRACT OPERATIONS.

2.1 Safety.

2.1.1 Safety Standards. The Contractor shall comply with all applicable Occupational Safety and Health Act (OSHA) Standards, as well as the Corps of Engineers Safety Requirements EM 385-1-1, revised 03 September 1996, as amended. (A copy of EM 385-1-1 is available from the project office.)

2.1.2 Public Safety. During the open season, the areas in which the work is to be performed are highly utilized by the visiting public. The Contractor shall ensure that reasonable precautions are taken to protect the public at all times where work is being performed. The Contractor shall immediately report to the COR any potential hazards found by his employees on the project. Equipment shall be operated and work performed with the safety of the public in mind at all times.

2.1.3 Report of Unusual or Hazardous Conditions. The Contractor shall immediately report to the COR any unusual and/or potentially hazardous conditions which are observed during the performance of work within the work site.

2.1.4 Accidents. The Contractor shall notify the COR immediately of any damage to Government and private property and/or injury to any person resulting from his/her operations. In the event that an accident or an injury should occur on Government lands, the Contractor shall immediately notify the appropriate local emergency service organization and the COR. The Contractor shall make a written report of each incident. These reports shall include, but not be limited to, date, location, nature of the injury or accident, authorities notified, and the action taken, if any. Sketches, graphs, drawings, and/or photographs will be utilized as needed, and all information shall be forwarded to the COR within one working day of the incident.

2.2 Inspection and Acceptance. Work will be closely inspected on a regular basis by the COR to insure compliance with the contract scope of work. An oral or written notice of deficiencies to be corrected will be given to the Contractor as needed. No inspector is authorized to change any provision of the contract specifications. The presence or absence of an inspector shall not relieve the Contractor from any requirement of the contract.

2.3 Payment.

2.3.1 Submission of Invoices. Payment for services performed will be based on the unit prices for routine and additional container waste removal. One original invoice and three copies of the invoice shall be submitted to USACE Finance Center, CEFC-AO-P, 5720 Integrity Dr., Millington, TN 38054-5005 and shall include the contract number, item numbers, dates of service, description of work, quantities, unit prices, and total prices. A copy of the invoice shall be sent to the COR for verification of work completed and quantities charged.

2.3.2 Basis for Payment. Payment will be made only for actual services satisfactorily completed under this specification. Separate payments will not be made for the time spent in planning, mobilizing, or performing administrative work. Payments will be reduced accordingly for missed pickups, and will be based on the Contractor's unit bid price.

2.3.3 Bonner County Fee. In the event of an increase in the Bonner County Disposal Fee over the 2003 rate of \$8.80, Base and Option Year Disposal Rates will be adjusted by the Government to reflect the increase. Accordingly, in the event of a decrease, disposal rates will be adjusted to reflect the decrease.

2.4 Conduct and Attitude. Due to the nature of the facility, it is possible that the Contractor may have contact with the visiting public, sales people, and other contractors. All contacts with visitors and other contractors shall be courteous. Any information sought or questions posed by visitors which cannot be appropriately answered by the Contractor shall be referred to the Corps Rangers or other project employees. The Contractor shall not give visitors permission to deviate from any park rule, regulation, or procedure. The Contractor shall cooperate with project employees and other contractors working in the contract activity area. The Contractor shall not consume alcohol or illegal drugs while performing the work requirements.

2.5 Materials and Supplies.

2.5.1 Contractor Furnished Supplies. The Contractor will provide equipment, materials, and supplies necessary to perform the work as defined in this contract. Equipment, materials and supplies include but are not limited to garbage trucks, fuel, etc.

2.5.2 Government Furnished Supplies. The Contractor shall be issued keys for those areas requiring access through locked entries. All keys will be signed for by the Contractor, and a record of

the issued keys kept in the project's key control file. Keys will be returned to the COR immediately upon completion of the contract.

2.6. Changes for the Convenience of the Government.

2.6.1 Reductions in Pickups. It may be necessary during the contract period to close the recreation areas, or portions thereof due to maintenance, repairs, or other circumstances. In the event this action occurs, the Contractor will be notified in writing 2 weeks in advance (if possible) with the understanding that the Contractor shall resume contracted services when deemed suitable by the Contracting Officer. The Contractor's unit price shall prevail regardless of the number of times each contract item is performed. Any decrease in the number or frequency of pickups will require a decrease in the total contract amount equal to the Contractor's unit price per pickup.

2.6.2 Additional Pickups. The Government may request additional pickups as a result of heavy visitor use or other unforeseen circumstances. In the event that additional pickups are required, the COR will notify the Contractor for the additional pickup in sufficient time to make necessary arrangements. If the Contractor agrees to provide additional pickups, the Contractor will be paid for any "additional pickups" based on the Contractor's unit price as stated herein.

2.7 Protection of Resources and Property.

2.7.1 Protection of Private Property. The Contractor shall be responsible for any injuries to persons or damages to private property if caused by his/her operations.

2.7.2 Vandalism. Defined as the willful or malicious destruction or defacement of public or private property. It does not include damage caused by the Contractor's negligence, improper operation of equipment, failure by the Contractor to properly maintain the area, or damage caused by normal wear and tear. Vandalism, misdemeanors, and felonies shall be reported to the proper civil authorities immediately, and subsequently, to the COR.

2.7.3 Fire Protection. In all cases of fires located in buildings or grounds within the contract area, the Contractor shall notify the fire department or Government personnel immediately after observing the incident.

2.7.4 Project Security.

(1) The Contractor shall be responsible for securing keys issued by the Government. All occurrences of lost keys shall be reported to the COR within 24 hours. For each incident of a key being lost or stolen, the Contractor shall be required to reimburse the Government for actual costs of new keys and cores for all locks affected by the lost key. Keys shall not be duplicated.

(2) Only the Contractor has the authority to use issued keys unless permission to deviate is given by the COR. Use of Government issued keys by persons other than the Contractor is prohibited. The Contractor shall not open doors or gates for individuals other than himself/herself or other government employees. The Contractor shall not allow guests, friends, children, or pets to accompany him/her during the course of the contract operations unless directly involved in the operations.

2.8 Vehicle Operations. Contractor vehicles must be equipped and operated in compliance with all applicable Idaho State laws governing safety, pollution control, licensing and operation. Contractor vehicles shall not exceed posted speeds on public roadways and shall travel at a speed of not more than ten miles per hour on roadways within the recreation areas, yielding to pedestrians, bicyclists, Corps maintenance vehicles and emergency vehicles.

2.8.1 Existing Access Roads. Access roads shall be kept open to traffic at all times. The Contractor is not authorized to obstruct or delay use of roads by the general public or other Contractors. At least one lane of traffic shall be maintained at all times where possible. Contractor vehicles shall be operated only on existing surfaced roads unless work demands require operation on non-surfaced areas.

2.8.2 Spillage on Roads. Spillage of debris or refuse on project roads and State or County roads will not be permitted. If spillage cannot be prevented, the Contractor shall provide a patrol to police and sweep such areas throughout each work day.

3. DESCRIPTION OF WORK.

3.1 Provision of Containers. Provide 3.0 and 4.0 cubic yard refuse containers on a rental basis during the periods defined below in the quantities specified for each area. The Contractor shall be responsible for cleaning, maintenance and security of the containers during the course of this contract. Containers shall be placed at locations specified by the COR (see Appendix A for maps of locations).

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$2.36 an hour or \$94.40 a week or \$409.07 a month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE PARENTHESES AFTER THEM RECEIVE THE FOLLOWING BENEFITS (as numbered):

1) Does not apply to employees employed in a bona fide executive, administrative, or professional capacity as defined and delineated in 29 CFR 541. (See CFR 4.156)

2) APPLICABLE TO AIR TRAFFIC CONTROLLERS ONLY - NIGHT DIFFERENTIAL: An employee is entitled to pay for all work performed between the hours of 6:00 P.M. and 6:00 A.M. at the rate of basic pay plus a night pay differential amounting to 10 percent of the rate of basic pay.

3) WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving regrading and cleaning of artillery ranges. A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

** UNIFORM ALLOWANCE **

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by

laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

** NOTES APPLYING TO THIS WAGE DETERMINATION **

Source of Occupational Title and Descriptions:

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations," Fourth Edition, January 1993, as amended by the Third Supplement, dated March 1997, unless otherwise indicated. This publication may be obtained from the Superintendent of Documents, at 202-783-3238, or by writing to the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. Copies of specific job descriptions may also be obtained from the appropriate contracting officer.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form 1444 (SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees. The conformed classification, wage rate, and/or fringe benefits shall be retroactive to the commencement date of the contract. {See Section 4.6 (C)(vi)}

When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation) and computes a proposed rate).
- 2) After contract award, the contractor prepares a written report listing in order proposed classification title), a Federal grade equivalency (FGE) for each proposed classification), job description), and rationale for proposed wage rate), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent

information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour decision to the contractor.

6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.

(c) FAR 52.252-2, Clauses Incorporated by Reference (FEB 1998). This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this/these address(es):

<http://www.arnet.gov/far>

<http://farsite.hill.af.mil>

<http://www.dtic.mil/dfars>

(d) Inspection/Acceptance. The Contractor shall tender for acceptance only those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. The Government must exercise its postacceptance rights--

(1) Within a reasonable period of time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(e) Excusable delays. The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence, such as acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(f) Termination for the Government's convenience. The Government reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges that the Contractor can demonstrate to the satisfaction of the Government, using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided.

(g) Termination for cause. The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(h) Warranty. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(3) The small business size standard for a concern which submits an offer in its own name, other than on a construction or service contract, but which proposes to furnish a product which it did not itself manufacture, is 500 employees.

(b) Representations. (1) The offeror represents as part of its offer that it () is, () is not a small business concern.

(2) (Complete only if the offeror represented itself as a small business concern in paragraph (b)(1) of this provision.) The offeror represents, for general statistical purposes, that it () is, () is not a small disadvantaged business concern as defined in 13 CFR 124.1002.

(3) (Complete only if the offeror represented itself as a small business concern in paragraph (b)(1) of this provision.) The offeror represents as part of its offer that it () is, () is not a women-owned small business concern.

(4) (Complete only if the offeror represented itself as a small business concern in paragraph (b)(1) of this provision.) The offeror represents as part of its offer that it () is, () is not a veteran-owned small business concern.

(5) (Complete only if the offeror represented itself as a veteran-owned small business concern in paragraph (b)(4) of this provision.) The offeror represents as part of its offer that it () is, () is not a service-disabled veteran-owned small business concern.

(6) (Complete only if the offeror represented itself as a small business concern in paragraph (b)(1) of this provision.) The offeror represents, as part of its offer, that--

(i) It () is, () is not a HUBZone small business concern listed, on the date of this representation, on the List of Qualified HUBZone Small Business Concerns maintained by the Small Business Administration, and no material change in ownership and control, principal office, or HUBZone employee percentage has occurred since it was certified by the Small Business Administration in accordance with 13 CFR part 126; and

(ii) It () is, () is not a joint venture that complies with the requirements of 13 CFR part 126, and the representation in paragraph (b)(6)(i) of this provision is accurate for the HUBZone small business concern or concerns that are participating in the joint venture. (The offeror shall enter the name or names of the HUBZone small business concern or concerns that are participating in the joint venture:_____.) Each HUBZone small business concern participating in the joint venture shall submit a separate signed copy of the HUBZone representation.

(c) Definitions. As used in this provision--

Service-disabled veteran-owned small business concern--

(1) Means a small business concern--

(i) Not less than 51 percent of which is owned by one or more service-disabled veterans or, in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more service-disabled veterans; and

(ii) The management and daily business operations of which are controlled by one or more service-disabled veterans or, in the case of a veteran with permanent and severe disability, the spouse or permanent caregiver of such veteran.

(2) Service-disabled veteran means a veteran, as defined in 38 U.S.C. 101(2), with a disability that is service-connected, as defined in 38 U.S.C. 101(16).

"Small business concern," means a concern, including its affiliates, that is independently owned and operated, not dominant in the field of operation in which it is bidding on Government contracts, and qualified as a small business under the criteria in 13 CFR Part 121 and the size standard in paragraph (a) of this provision.

Veteran-owned small business concern means a small business concern--

(1) Not less than 51 percent of which is owned by one or more veterans (as defined at 38 U.S.C. 101(2)) or, in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more veterans; and

(2) The management and daily business operations of which are controlled by one or more veterans.

"Women-owned small business concern," means a small business concern --

(1) That is at least 51 percent owned by one or more women; in the case of any publicly owned business, at least 51 percent of the stock of which is owned by one or more women; and

(2) Whose management and daily business operations are controlled by one or more women.

(d) Notice.

(1) If this solicitation is for supplies and has been set aside, in whole or in part, for small business concerns, then the clause in this solicitation providing notice of the set-aside contains restrictions on the source of the end items to be furnished.

(2) Under 15 U.S.C. 645(d), any person who misrepresents a firm's status as a small, HUBZone small, small disadvantaged, or women-owned small business concern in order to obtain a contract to be awarded under the preference programs established pursuant to section 8(a), 8(d), 9, or 15 of the Small Business Act or any other provision of Federal law that specifically references section 8(d) for a definition of program eligibility, shall--

(i) Be punished by imposition of fine, imprisonment, or both;

(ii) Be subject to administrative remedies, including suspension and debarment; and

(iii) Be ineligible for participation in programs conducted under the authority of the Act.

(End of provision)
