DATE AND TIME: September 9, 2004, 7:00 p.m. to 9:00 p.m.

LOCATION: Everett Events Center
2000 Hewitt Avenue
Everett, Washington

(Note: Enter the Event Center through the doors on the northeast side of the building at the intersection of Hewitt and Lombard)

HEARING PURPOSE: The purpose of the hearing is to obtain public views and opinions on the proposed project that are relevant for consideration in making a permit decision for the proposed project.

HEARING FORMAT – The forum will be one formal hearing with verbatim recording. Oral and/or written comments can be presented. The hearing will be conducted in accordance with procedures set forth in 33 CFR, Part 327 (see Federal Register, Volume 51, Number 219, dated November 13, 1986, page 41249 et. Seq.). A brief description of the proposal will be presented. Following this, interested parties may present specific information on the project proposal, potential impacts, alternatives, and other related concerns.

All interested parties are invited to be present or to be represented at this public hearing. Oral statements will be heard, but for accuracy of the administrative record, important testimony should be submitted in writing. Oral statements should be brief (if necessary, a specific time limit may be applied per speaker), and the speaker should summarize any extensive written material so that there will be time for all interested persons to be heard.
