Rulemaking Revised WAC 332-30-166

RCW 79.105.520

The department shall estimate the costs of site management and environmental monitoring at aquatic land dredged material disposal sites and may, by rule, establish fees for use of the sites in amounts no greater than necessary to cover the estimated costs

RCW 79.105.510

All such revenues shall be placed in the aquatic land dredged material disposal site account

Disposal fee account established 1987

WAC 332-30-166

Fees will be charged at rates sufficient to cover all department costs associated with site management

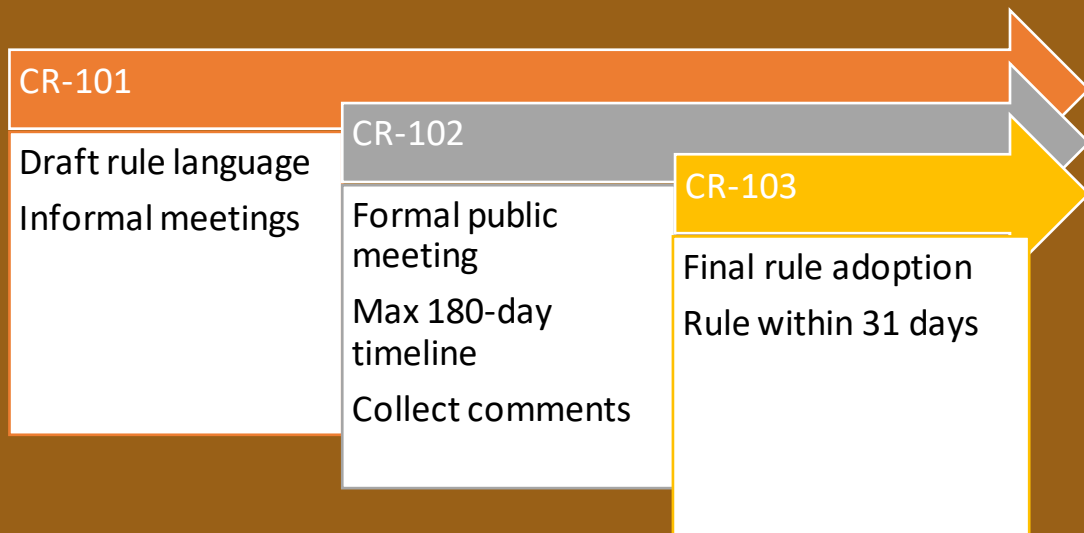

Fees will be reviewed and adjusted annually or more often as needed.

- Puget Sound fee
- Grays Harbor fee
- Minimum fee
- Damage fee
- Minor language change to replace obsolete rule language.

Disposal Fee Rulemaking

Rulemaking Process
