

**Provide plan view site-specific drawings for detailed review, including:**

- Existing and proposed conditions at your project location including existing structures.
- Delineated wetland boundary and date of observation and/or datum.
- Dimensions for maximum depth and maximum extent of fill.
- Footprint of structure to be placed in wetland area.
- Locations of soil erosion and sedimentation control measures.
- Provide scale bar; use same scale on plan and section views.

**PROFILE VIEW**

**Proposed:** Place ? cubic yards of [type] fill in ? acres of wetland for residential lot development. Install ? feet of tile drain. Create/enhance ? acres of wetland as mitigation.
